Chiropractic and Natural Health Care ... A Better Way to Optimal Health

TERMS OF ACCEPTANCE

**THESE ARE THE TERMS UNDER WHICH ALL PATIENTS ARE ACCEPTED FOR CARE
IN THIS OFFICE:**

**It is clearly understood that there is no promise or offer of any kind on the part of the doctor
or this office, to treat any symptom, condition or disease.**

**Although I may have come to this office with the initial expectation of relief of a particular
symptom or condition, it has been clearly explained to me that the only purpose of
chiropractic care is to remove or reduce nerve interference
caused by the presence of a vertebral subluxation.**

**This correction is undertaken for no other reason than that these vertebral subluxations
interfere with the capacity of the body to fully express life.**
